Flower of the World Import was founded in 2000. We import from our own farms located in Colombia, Ecuador, Netherlands, Russia, Shanghai, and the Caribbean to USA.

We are a company dedicated in the flower retail and wholesale market worldwide, with manufacturing and distribution facilities in Florida.

Our flowers come from 25 different farms worldwide.

We count with experienced packers who ensure that the flowers are carefully packed to prevent damage.

After the packing process the flowers are delivered to their destination by specialized means of transportation for quick and optimal distribution to ensure the best quality in each flower.
